📍 Bulandshahr Uttar Pradesh

## Hard Skill

- Java
- Android development
- HTML
- SQL
- Python
- Data structure and algorithms
- XML
- CSS

## Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking

## Education Background

- Bachelor of Technology  
*Meerut InstituteOf Technology, Uttar Pradesh*  
2024
- Senior Secondary  
*Amar Singh Inter college, Bulandshahr*  
2020
- High School  
*Amar Singh Inter college, Bulandshahr*  
2018

## PROJECT

### Delivery Application (Java, Android sdk, Firebase, Google map, Payment Gateway)

- User-friendly Interface: Designed an intuitive and visually appearing user interface.
- Real-time Tracking: Integrated GPS functionality to enable real-time tracking of delivery personnel and provide users with accurate information about their order's progress.
- Implemented push notifications to update users about the delivery status.

### Music player (Java, Android Studio, XML, Media Player, Audio Manager, Android Storage Access)

- Designed and developed a feature-rich music player application for Android platform using Java and Android Studio.
- Implemented a user-friendly interface with XML layout files, incorporating playback controls, playlist management, and media file metadata display.
- Utilized Android's Media Player and Audio Manager classes for seamless audio playback and audio focus management.

### News Application (Java, Android studio, Firebase, Retrofit)

- News Level is an android application. The aim of News level is to provide a latest news to the user free of cost.
- This application is build using networking (Retrofit third party library).

## Achievements

Java certificate by [HackerRank](#) .  
Achieved AZ-900 certification.
